Dear High School Senior,

We are pleased to announce that our organization is continuing its scholarship program for the 2011-2012 School Year.

The scholarship program is available to all high school graduates residing in our service area of Lacey and Ocean townships. The scholarships available to 2012 graduates can be in each of the following categories:

- \$10,000.00 for a four year college; payable over four years
- \$4,000.00 for a four year college; payable over four years - 3 awards
- \$2,000.00 for a two year community college; payable over two years
- \$1,000.00 for a two year community college or vocational-technical school

For our scholarship program this year, we are committing a total of \$25,000.00 in new awards. The selection criteria we use include "service oriented students with leadership qualities". Preference will be given to active members of a Rotary Interact Club and those who demonstrate community involvement.

Your guidance department will attach a copy of your official transcript and forward the completed package to our scholarship selection committee by 4:00 p.m. on April 2, 2012. **The Rotary application must be typed.** Our application is available on the web at www.forkedriverrotary.org

Scholarship recipients will be notified of their awards through their guidance department.

GOOD LUCK TO ALL OF YOU!

Sincerely,
